What do High-5's, fist pumps, arm bumps, handshakes, a smile-n-nod all have in common? They're all great ways to greet one another on a Sunday morning when we get together! They're also great ways to provide alternative greetings during the cold/flu season. Consider these options when greeting each other!

Allergies of all kinds - colds, scents, food - are all a battle year round for many. Some of these are accentuated during the winter season when buildings are closed up most days. Be considerate to one another - wash hands regularly, use hand sanitizer when possible, limit scented products (perfumes, colognes), and offer sensitivity when providing food products for church events.
