UNITY FAMILY

Carl Marcus was hospitalized in St. Cloud this past week with fluid build up around the heart. Doctors added a 3rd wire to his pacemaker to help with overall heart function. He planned to return home this weekend. Pray for the heart to strengthen and for healing to come.

Ron Zwart, Pastor Steve's Dad, had a stent put in his carotid artery in his neck this past week to open up a blockage on his left side. All indications are that the surgery was successful and he planned to return home this weekend. Pray for healing and desired outcome of the surgery.

This time of year is a tough time of year for many. Gray, cold, wintry elements all play a part impacting mind, body, and soul. Add to that some of the challenges some of our families are facing these days... There is a need for prayer. Pray for God's healing, encouraging Shalom to touch the hearts and lives of those (quietly) suffering through the everyday. Pray for opportunities to be Light and bearers of kindness and mercy. Pray for victory over darkness. Pray for bright hope for tomorrow. Be Christ in all things to everyone.

The speakers will be streamed live starting at 8:30 am. Come in at 7:30 to check in and enjoy some donuts and coffee. The registration fee is \$25 and includes lunch. (If you are unable to afford the fee, we will waive for those who qualify)
