Welcome! Today we are blessed to hear the faith journey of **Sara Ahrenholz**, who with her husband Tim, and two children traveled a long, faith-challenging road to welcome their third child, Amos, into the world. Thank you, Sara, and family for sharing your heart with us today.

Pete Roorda suffered a workplace accident this past week, suffering skin burns on his knees, and some on the chest and face. He anticipates surgery tomorrow (Monday) to repair the skin on the left knee. The other blisters and burn spots they anticipate will heal over time. Pray God's healing mercies to renew and restore Pete back to health.

Norm Ledeboer, Lois Cook's brother, continues his battle with leukemia, as his blood counts continue to fluctuate and transfusions are needed. Pray for God's peace and healing to come to him during this time.

Pray for the **agricultural community** in our region as cold temperatures and wet conditions are delaying the planting season and causing practical and financial concerns for many farm families and related businesses. Also pray for many other aspects of our local industries that are reeling from the impacts of tariffs and trade wars, and global economics that are causing serious fluctuation in products and services.

Pray for our **High School and College Graduates** as they mark this significant season in their lives. Pray for joy in their accomplishments and peace over future plans.

 **Spring Campaign - April 27 - June 14th** Each week they will be highlighting their *how* and *why* COTP does what it does. This weeks value is **Health**: We view spiritual, physical, emotional, and economic well-being intertwined to form a person's complete health. Donations may be mailed directly to COTP, PO Box 123, Prinsburg.

Stewardship Corner: Intrinsic Value. When we sell a home, we assess its value. When we consider a purchase, we assess the value of the purchase. When we consider a close relationship, we understand the value of that relationship. When we give, we declare value - we declare God's value through our generosity, we declare value of the faith community we call our church home, and we declare the value of one another in how we give and serve one another. Consider and pray about this: What intrinsic value does your giving declare?

Let's be honest here...Unity church has some fabulous chefs and bakers!!

So why don't we pull together our tried-and-try recipes and share them with each other in our very own **Unity Cookbook!!!** Betty Ammermann came up with this great idea and would love some people to come along side her to put this altogether. You can either write them out, and/or copy them and drop them off at church where we will have a drop-off place for them. We are looking at a deadline for these recipes to be handed in by Sept. 1st! Our goal is to have everything edited and put together into a booklet for Christmas gifts!!
