Your consistency, dedication, generosity, and love for God's work here at Unity and in our community and around the world is evident in your giving. Let's finish strong! We thank you, God for cancer survivors. Unite us on this Purple Prayer Sunday as we celebrate our survivors & remember all who have had a history of cancer, their families, friends and all their caregivers. Bless those survivors who have been cured and keep them safe. For those of us who are still fighting, give us the strength to continue. Please guide those who labor on the front lines of scientific research as they seek to find the means to help people stay well, get well and find cures. Provide wisdom and skill to those who minister to our needs in hospitals, medical offices, churches and our homes. Grant patience and strength to those in our families who share our lives in good times and when we are ill. Through the Holy Spirit strengthen our volunteers who diligently work to make a difference in the fight against cancer. Watch over us, we pray, as we prepare as a community to raise funds for cancer research and celebrate more birthdays, through our annual Relay for Life event. You are the source of salvation and help for all humanity. In Lord Jesus' name we pray. Amen.

**Let's be honest here...Unity church has some fabulous chefs and bakers!!**

So why don't we pull together our tried-and-try recipes and share them with each other in our very own **Unity Cookbook!!!** Betty Ammermann came up with this great idea and would love some people to come along side her to put this altogether. You can either write them out, and/or copy them and drop them off at church where we will have a drop-off place for them. We are looking at a deadline for these recipes to be handed in by Sept. 1st! Our goal is to have everything edited and put together into a booklet for Christmas gifts!!
