A huge **thank you** to everyone that helped out in different ways to clean our church.
You are a blessing!!

Please look over the lost and found items in the coat area.
Also there are eggs in the refrigerator; please take what you can use.

Today will be receiving a special 2nd offering through our Love Fund for the Donyes family. Hospital and funeral costs exceed their means and we desire to come along them as their church family to support them in their time of need. The need, at this time, exceeds \$7,000. Please give your special gift to the Deacon located by the fireplace after exiting the sanctuary. The Deacons by the sanctuary exits will be receiving the regular offering for the morning.

IMPORTANT NOTE: Due to carpet cleaning in the facility this week, the building (including offices) will be closed Monday through Thursday. Staff will be working remotely offsite and remain available through the office phone number or by cell.

UNITY FAMILY

Welcome to Unity! As we Love God above all and love our neighbor as ourselves, please remember:

- Create healthy space for the good of all. Sit every other row in the sanctuary. Fellowship outside.
- Masks are strongly encouraged. Bring your own as able. Disposables available in the lobby free of charge.
- Hand sanitizer is available throughout the building - please use.
- There is live video feed throughout the building. Please utilize as you desire for health and spacing purposes.
- Remember that each Sunday our service is live via YouTube! Don't miss a service all year!

 We are in need of donations for Family Promise gas cards (to assist those in transporting to and from work to maintain employment), female hygiene items, grocery cards, and gift cards for a variety of items as well as financial contributions. These can be dropped off at the Marly Breems or Unity office.

UNITY FAMILY CONT.

Remember in prayer:

The Donyes family as they gathered this past Friday to remember God's servant, Bob, who passed away last week. Bob served the cause of Christ as a church planter, jail minister, and ministry to children driving bus. Blessed be his memory.

Bob Stoel as he continues recovery following his knee surgery. Give thanks for strength and increasing mobility.

Kyle Wynja, the Wubben's son-in-law who was discharged from the hospital and is convalescing following a battle with complications from Covid.

Chelda Leininger as she continues to journey through recovery following her surgeries.

Sharon Ledebor, Lois Cook's sister-in-law who battles weakness and is hospitalized.

Daryl Marcus as he battles weakness and poor appetite.

Norm Duininck as he battles a rare condition that causes weakness in the legs, thus limiting mobility.

STEWARDSHIP
Managing God's Gifts To Us

Thanksgiving for Thanks-living. As we have launched into our new fiscal year as a church, we are humbled and grateful to God for each person who gave willingly and generously throughout the year! We were privileged to end the year in the black - keeping expenses under budget, tackling new projects, weathering setbacks, and again seeing consistent tithing/gifting well above our set goals. (A summary report will be distributed in August). May God grant His continued favor and blessing as we minister together in this new season before us!

Cancer hasn't stopped and neither can we!
We are **Stronger Together** and can win this fight from
every corner of Minnesota.
This year may look a little different, but we can't give up!

Join us starting on **July 6** and decorate our communities and homes purple!
Submit a photo of how you decorated your home or business to jolene1982@hotmail.com
for entry into the Paint our Town Purple contest!

Then on **August 1**, join us virtually on Facebook @ [Relay For Life of Kandiyohi County](#)
to view our Relay For Life Ceremony!

Purchase a luminaria bag for \$10 from a Relay for Life team member, decorate it & then return it to them by July 26th. All returned luminaria will be on display at the Kandi Mall from **July 26 to August 1st**. If you would like to join in on the statewide lighting of the luminaria bags, please pick it up from the Kandi Mall **by noon on Saturday, August 1**.

During the virtual Relay for Life event, everyone around the state of Minnesota will light a candle in their luminaria bags at a certain time and we invite you to do it at that time as well.

We want to take that time to remember those that have lost their battle, rejoice with those that have won their battle, and join in the hope for those still fighting!

We are Stronger Together!

We continue to fundraise throughout the month of July. Please consider donating online at www.relayforlife.org/kandiyohimn, by contacting a Relay for Life participant, or by contacting Tanya Rosenau at 320-295-2177. Many participants are also utilizing the American Cancer Society fundraising app on social media as well.

We are still looking for amazing businesses to partner with us and sponsor our virtual event. Please contact any team member for more information on sponsorship opportunities or contact Tanya Rosenau at jolene1982@hotmail.com.

Thank you to our Sponsors for their continued support!
