WELCOME

It is good to be in the house of the Lord. Today we have the pleasure of hearing the stories of our young men and women who spent time in New York City bringing the Word of God to those He placed in their paths. It's our mission from God to reach others with the Good News of Christ's sacrifice for our salvation, and we get to hear how our kids obeyed that call in their life and how it affects them now. Be sure to find a student after worship and ask them about their story... and maybe share your own.
