WELCOME

We are so glad you chose to worship with us. Travis will continue in the book of Acts today where Paul presses on to spread the good news of Jesus Christ with the world. However, people react in different ways to news that is hard to believe. May our hearts be open to what God needs us to hear today and our feet be willing to walk that path with a receptive response.

Also, today is the last day of Sunday School and we want to thank all the teachers for leading our kids in this way. May God bless your efforts and time with lasting memories that serve as a seed in the flourishing lives of God's kids.
