WELCOME

It's another great day to praise the Lord together. We are so glad you chose to worship with us. Today we welcome one of our Ministry Partners, Jeff Schmitz to share the message. Jeff leads the United Campus Ministry at Ridgewater College that is currently in the middle of a building project due to the growing ministry. Be sure to connect with Jeff after the service to find out more ways to support this ministry in Willmar. See more about his ministry on the back. Also, Val Duininck's daughter and son-in-law are here to share about their medical ministry in Tanzania. We will take a second offering for this ministry today as well. May God bless these ministries and those who give in Jesus Name.
